

Local Heritage List

Nomination Results

Thank you to everyone who took part in the public consultation for the proposed creation of a local heritage list for Hatfield Peverel.

The consultation ran during December 2021 and asked for nominations of buildings and spaces around the parish that you would like to see included on a heritage list with the aim of helping protect them in the future. Below is a list of all the assets that have been nominated.

Next Steps:

A group of volunteers are working on researching a number of the features on this list with the aim for them to be included on an 'emerging' local heritage list for Hatfield Peverel.

Owners of assets are being contacted before the asset is put forward for the list.

Contact:

For any queries on the project, or if you have information on any of the items on the list below, please contact the heritage warden by email:

heritage@hatfieldpeverelpc.com
