

4. Towards Terling (rev 3) 4 miles

The walk starts at the drive to Maddox Hall in Terling Hall Road.

Walk the first few yards along the road then turn right onto track between the trees. This used to be known as Bluebell Lane. It follows the right hand edge of the next field to a stile. Cross this in a diagonal fashion heading towards the shed by the pond. After meeting a farm track, turn right and cross over the parallel wire fences. Follow the permissive path with Brockspark Wood away on your right. Continue straight on until you reach the spinney. Turn right to redundant kissing gate and continue to the road keeping the lake in the distance on your right. Turn left at the road. At the next junction, take the path close by the right of the cottage and walk along the field edge to where the track dips down to your right. Follow the track along a narrow plantation of willow trees to the road. Turn right past Rolls Farm. At next cottage, take path on the right. Keep to the left of the hedge in the second field. At the road, Gambles Green is on the left and Flacks Green on the right. Turn right towards Flacks Green and after the next junction and the green, take path on the left at field gate. After Terling Village Hall, take path on the right across meadow to the church. Turn right. Just past Dairy Farm, take path on the left to retrace your steps.
