

Hatfield Peverel Local Heritage List Nomination Form

Hatfield Peverel Parish Council aims to identify and celebrate some of the historic buildings, structures, sites and features in the parish that are not listed (grade I, grade II* & grade II).

Graded listing status means that an old building has got protection.

The Parish Council is looking to compile a Local Heritage List as part of the Neighbourhood Development Plan Review. Some of the items on this list could in the future become local 'non-designated heritage assets' (NDHAs). **NDHA status could offer these old buildings, structures, sites and features some protection.**

For further information, pop along to Hatfield Peverel Library to see the Parish Council's Local Heritage List Project display. Alternatively, email the Heritage Warden - Margaret Freeman - who is happy to answer any questions that you may have:
