OUTDOOR TRAINING SESSIONS PROVE A SUCCESS

The Thursday night free training sessions provided by Hatfield Peverel Parish Council in conjunction with Active Braintree Foundation are proving to be a big hit!

Our personal trainer, Stefan Tabacu, has been putting residents through their paces and demonstrating training techniques to allow participants to get the best results from their training sessions.

We've been blessed with some beautiful weather but even on the murkier evenings, gym goers have braved the weather and pushed through.

Weekly sessions will continue throughout August and into early September. Training advice is tailored to your level of fitness and goals and there's no obligation to come to every session.

There's still time to sign up by going to <https://tinyurl.com/Fitness-sessions>

HADFELDA WALKERS

EXPLORING THE LOCAL AREA

Join us on our monthly walks

We are a friendly group of villagers who love to explore the beautiful local area together. We meet on the last Thursday of every month for a walk that lasts about 3 to 4 hours. Sometimes we use our cars to take us to starting points further afield e.g. Terling, Wickham Bishops, Maldon, and Heybridge.

Our walks typically cover 4-5 miles at a comfortable pace, and we often take a break for refreshments, especially in the summer.

There is no subscription, fees or membership – joining us is completely free.

Recently, we've enjoyed walks through Toppinghoe Hall woods to see the stunning bluebells, and visits to Little Braxted, Wickham Bishops, Papermill Lock, and many more areas both local and further afield.

In June we took cars to the public carpark at Heybridge Basin and walked along the coastal path to Osea Island causeway and back, stopping at the local café en route for refreshment. Please note however that although Osea

Island is owned by the National Trust it is not open to the public.

Our next walks are scheduled for Thursday, July 25th, and Thursday, August 29th. We'll meet outside the Village Hall by the recycling site at 10 am. We would love for you to join us!

New members who would like to explore the local area are particularly welcome to join us, but we do ask to leave your dogs at home. If you would like more information, please get in touch with Graham Bushby on 07484 864712

THE WESTERN FRONT ASSOCIATION, ESSEX BRANCH LIEGE AND DINANT

This August marks the 110th anniversary of the start of WW1. We held a Branch Tour in June when 17 of us, with a specialist guide, visited the Belgian towns of Liege and Dinant where there was severe fighting from the beginning of August 1914 before British troops had congregated at Mons where they fought their first action on the 23rd.

We visited one of the twelve forts around Liege and the Citadel at Dinant dominantly standing high on the steep valley side overlooking the cathedral which was destroyed in 1914. Dinant also has a sombre memorial to atrocities against its citizens by the attacking forces. We also visited British actions at Mons and laid a wreath for the fallen at the St Symphorien Cemetery there.

We shall not be holding a meeting at the Village Hall during August as we are alternating to our Hornchurch venue, for a talk about the Battle of Verdun. But we'll be back at Hatfield Peverel on Wednesday 11th of September when we'll have a presentation by Anne Samson, who will give a general overview of the First World War in Africa. This is a little-known campaign, even to many established members of our Association, that actually started before the British Army fired its first shot in Europe in 1914 and finished a week after the 1918 Armistice. Our meeting starts at 8pm, and we request an entrance donation of £3.50 to cover costs. The meeting is in the Vic Olley Room.

We have a monthly newsletter, sent as an email with attachments, which gives information about Branch activities, articles remembering the fallen, with an Essex connection, and articles that may be of interest. This is free. If you would like to receive it email essexwfa@googlemail.com

We would use your email address purely for the purpose of the newsletter and you can, of course, unsubscribe at any time.

MALDON FILM CLUB

THE CAMERAS ARE READY TO ROLL AGAIN!

After a most successful 19th year, Maldon Film Club is already preparing for its new season which begins on Tuesday 10th September 2024 with the highly acclaimed *Other People's Children*.

Films are shown fortnightly on Tuesdays in 2024 and Wednesdays in 2025. We meet at Maldon Town Hall - doors open at 7.15 pm - with wine and soft drinks available, at a charge, from 7.30 pm. Unless notified to the contrary all films commence at 8 pm.

Our first film of the new season, *Other People's Children*, tells the story of Rachael who is 40 and childless. Rachel loves her life, her students, her friends, her guitar lessons, and even her ex. When she falls in love with Ali, she grows close to his 4-year-old daughter Leila. She tucks her in, looks after her, and loves her like a mother... which she isn't. Not yet. The desire for her own family is growing stronger, and the clock is ticking. Is it too late and what are the risks?

Our second film of the new season, *The Holdovers*, will be screened on Tuesday, September 24th. This Oscar-winning movie is set during the Christmas holiday of 1970.

Teacher Paul Hunham, disliked by everyone at school for his pomposity and exasperating rigidity, has no family or plans for the holidays, so he stays to supervise students who can't go home. Eventually, only one student remains: Angus, a bright but troublesome 18-year-old always on the verge of expulsion. Also staying is Mary, the head cook, who recently lost her son in Vietnam and prepares meals for the privileged students.

Together, these three unlikely companions form a makeshift Christmas family, sharing humorous misadventures over two snowy weeks in New England. Through their time together, they help each other realize they are not defined by their past and can shape their own futures.

From October to December, we have a fantastic lineup of films featuring some of the UK's best-loved actors: *The Phantom of the Open* with Mark Rylance, *One Life* with the incomparable Anthony Hopkins, *The Last Bus* starring Timothy Spall and Wim Wenders *Perfect Days*. Our programme from 8th January until 28th May 2025 is as follows:

DATE	FILM
08/01/25	20 Days in Mariupol
22/01/25	Wicked Little Letters
05/02/25	Till
19/02/25	1976 (Chile 76)
05/03/25	Scrapper
19/03/25	All of us Strangers
02/04/25	Anatomy of a Fall
16/04/25	The Old Oak
30/04/25	Casablanca
14/05/25	The Eight Mountains
28/05/25	The Great Escaper

The price of an annual subscription remains at £30 and this entitles members to free admission to all of the season's 19 films, that's less than £1.60 per film! In addition, there are a limited number of places for junior members aged 16-18 in full-time education and training at the reduced cost of £20. As a member, you will be asked to give your reaction to the films you have seen and also help the committee compile the programme for the following season. Membership is open to all and new members will be made very welcome. Members' guests pay just £4 per film!

For further details and an application form please visit our website www.maldonfilmclub.uk, pop into the Maldon Visitor Information Centre (Tuesday – Saturday between 1100 and 4 pm) or phone 01621 869340 for membership enquiries. Alternatively, you are welcome to come along as my guest to the first film of the new season, meet members of the committee and pay your annual subscription on the night.

If you have any further questions please do not hesitate to contact me, John Salisbury, on 07905 971608.

HATFIELD PEVEREL PARISH COUNCIL

MEET THE COUNCILLORS

In the first of our Meet The Councillors series, we chatted to Chairman of the Council, Mark Weale. We put a few questions to him to find out about his background and what made him choose to be part of Hatfield Peverel's Parish Council and if you're lucky he might tell you his DJ name!

Village Voice (VV): How long have you been part of the parish council?

Mark Weale (MW): About ten years ago I joined a working party for the Party in the Park event, the council's annual summer event. Through that experience, I became interested in the workings of the council and it was Diane Wallace who convinced me to join the council. In working within that group I developed a deeper interest in the community as a whole. I wanted to make a difference for residents and our village and I had background knowledge through my career and studies that could help develop the council in different ways. I also had a background in working with young people and was keen to engage younger people within the community.

VV: What is your career background? Did it have a bearing on your decision to become a councillor?

MW: Following an initial apprenticeship at Marconi I moved into plumbing and later joined Essex and Suffolk Water, repairing mains. I progressed within the company using my engineering background to become a fitter then supervisor and then onto water treatment manager. By the time I retired I was a Business Unit Manager, responsible for over 1.5 million people's drinking water. I had the honour of being the last person to go under Hanningfield Reservoir - through a four foot wide concrete pipe with breathing gear - to inspect the pipes. I also became a Business Ambassador in the Young Enterprise Scheme and led programmes for young people getting into business. And what I'd learnt through my post graduate degree in Business Studies, definitely helped in my decision to become a councillor.

VV: What particular things are you in charge of on the council?

MW: Well I've been the Chairman for the past seven years. Following lockdown, I revised the EMC - Every Members Club - which is a great resource for residents to come along each Wednesday and join in with a quiz or bingo while socialising. The mental health effect of lockdown was huge on so many people, especially our older residents. It feels good to bring people together.

VV: Where did you grow up?

MW: Hatfield Peverel, born and bred! I've always lived here - apart from a short stint in Witham but moved back. My parents used to own a Tea Room on the borders of Boreham and Hatfield Peverel.

VV: What would have been your ideal job?

MW: Without a doubt, DJ! I've been djing since I was 18 up until just about a year and a half ago. It's a passion of mine. I love music and was offered quite a few jobs by record companies back in the day but I felt it wasn't a secure enough profession and so DJing stayed as my passion project.

VV: From your time on the council, what's the thing you are most proud of?

MW: I'm proud of the council as a whole really - the work they do, the benefits they provide for the village, sometimes with little recognition. And I'm proud of the community and connection we've brought through the EMC.

VV: What's your favourite thing about Hatfield Peverel or the surrounding areas?

MW: I wouldn't say it's a particular part of the village or a spot but really my favourite thing about this village is the people and the community. The people make it what it is - a lovely place to be.

VV: When you're not working on council matters, how do you relax, what hobbies do you enjoy?

MW: I have a love for sea fishing and holidays! Plus I have my dog, Finn. Music and DJing are amongst my favourite pastimes, of course but I'm always looking for my next challenge.

QUICK FIRE ROUND

What's your favourite movie?

Close Encounters of the Third Kind and the Da Vinci Code

What are you watching or bingeing at the moment?

I'm a sci-fi/fantasy/gamer fan so of course The Mandalorian, House of the Dragon and I really enjoyed The Last of Us - after playing it first, of course.

Favourite book?

I love the DaVinci Code by Dan Brown and I'm a real Michael Crichton fan too.

Favourite pet?

Well of course, my dog Finn but I used to breed Burmese cats - one of them had the honour of being awarded Best Cat in the GCCF show (the cat equivalent of Crufts).

And lastly, we know you love Hatfield Peverel but where would you love to visit?

Alaska - now that would be some sea fishing experience!

Oh and that DJ name?

Carl Rogers. (You'll have to ask Mark why?!)

September 2024 marks the start of Witham Hockey Club's Centenary Season having formed as an official club in 1924. A number of events are planned throughout the upcoming September 2024 - April 2025 season to ensure the centenary is rightly celebrated. HATFIELD PEVEREL METHODIST CHURCH CELEBRATING LIFE

Life Expo at St Andrew's Junior School

Have you heard of the Life Expo? We hadn't until about a month ago when our Minister, Rev Barry, recommended we offer the experience to the children of St Andrew's Junior School. The Life Expo is about the life of Jesus and is a well-designed, interactive experience made up of a series of 'blow up' colourful gazebo spaces (they call them pods) which groups of children visit in turn.

After an introduction to the theme of the pod, each child is given an electronic tablet which includes graphics, videos, questions, music etc, allowing each of them to explore further from a list of options at their own pace. The session finishes with a multi-choice quiz where each child can select their answer using an electronic voting button. The results are then shown on a big screen, showing how many chose each answer and enabling some further discussion.

We received a warm welcome from Mrs Black and the school, and it was a privilege to share Life Expo with the

children and teachers at St Andrew's Junior School. We were there for two days and guided all 8 classes of years 3-6 through the experience. They heard about the prophecies of Jesus' birth, the teaching of Jesus through parables and His amazing miracles. It was a great way of helping them understand what Christians believe about Jesus as a way of making their own response.

Harvest Craft event 22nd September 10.30 – 12 pm Room 3, Village Hall.

Would you like an opportunity to be creative and have a go at a recycling challenge? We'd love you to join us as we take things which would otherwise be discarded and make them into something interesting. We have ideas for adults and children. All materials provided and it will be a chance to learn some new skills and ways to reuse and repurpose items – and perhaps to make something to enter at the Horticultural Society Autumn Show on 5th October. (Class 304: A recycled item made entirely from pre-used or repurposed materials)

INSPIRING WOMEN

Unfortunately our scheduled speaker, Susan Widlake, for June had to cancel the day before our meeting as she had COVID! Thankfully, another Sue stepped in at the last minute and came to Terling to give us a Belly Dancing demonstration. Sue (or Snakey Sue), who now lives in Harwich, has performed all over the world for various different people at parties, nightclubs, private events, and TV programmes. Now retired, she enjoys speaking about her career as a Belly Dancer, and how she came about the snakes and combining the two in her shows. Fortunately, Sue left the snakes at home this time, but we had a lot of fun and even had a go!

The good old British weather meant that we were unable to have a stall at the Party in the Park this year, we were so looking forward to meeting new faces and selling some of the items that our members have kindly crafted. Fingers crossed for next year!

Terling WI do not meet in August due to the summer holidays, so our next meeting will be in September where we will try some Line Dancing!

We meet every fourth Thursday of the month in Terling Village Hall. Want to give it a try first? No problem, you can attend up to three meetings before becoming a member (guest fee applies).

Complimentary tea and cake served as standard at Terling WI meetings. As well as friendly faces, friendships and lots more.

HADFELDA (LADIES GROUP)

Beware of Fraud!

It was quite a shock to discover just how clever, devious and how many different methods scammers use to defraud us and part us from our hard-earned cash.

At our May meeting Tammy Blest, a police officer involved with Fraud prevention, told us just how easy it is to be taken in by these criminals and she advised us to be aware and be on our guard if we receive any unsolicited messages or phone calls. The best piece of advice was to 'Take Five' (this is a national campaign) as scammers will try to put you under pressure and rush you into making a decision.

- If someone comes to the door, always check their details and ask for ID.
- If you receive a phone call that you are not happy about, try to check the caller's details using a different phone and a trusted number. No bank, police officer or Government body will ever ask you for your PIN number or passwords.
- If you are concerned call the police on their non-emergency line 101 or their fraud department on 159.
- Remember, if it sounds too good to be true, it probably is!

After our super knitters in April, in June we were treated to 'Decades of Dolls' with Dot Reed. Dot is a very talented 'craft person' and 'dolls' don't do justice to her beautiful creations. There were about 22 on display including pirates, brides, belly dancers and elves, all beautifully dressed in appropriate costumes. The attention to detail in the faces and clothes was amazing.

July was our 'Cream Tea' which all our members thoroughly enjoyed. To keep the 'little grey cells' active, we also had a lighthearted quiz.

August 28th is Members Afternoon with tea and cakes and September 25th is our Harvest Lunch (we do like our food!). On October 23rd, we have a talk from the RNLI - an important organisation that is supported purely by charitable donations.

If any of our events interest you, please do come along as a visitor, you may like us! We meet at 2pm at St. Andrew's Church Hall on the 4th Wednesday in the month and visitors are always welcome.

Hatfield Peverel Flower Club

The club meets in Hatfield Peverel Village Hall on the first Wednesday in the month (not January or August).

In 2024, so far Summer has been two weeks in June!

Alfred Wainwright, a British fell walker, guidebook author, and illustrator once said, *"There's no such thing as bad weather, only unsuitable clothing."* His comment appeared in 1973 in his book *Coast to Coast, 50 years of truth*. It's certainly been true for this year.

Further back, in 1732, Dr Thomas Fuller quoted

"Button to chin, till May be in, Ne'er Cast A Clout Till May Be Oot!"

Which means - "don't take off your winter clothing until May is over! (or perhaps in the UK, June or July).

Looking our best

You do know that we are being watched. By EVERYONE, ALL THE TIME. So, in the garden, the days of a jacket and tie are all but done. Casual/sloppy, shirts, trousers, boots/wellies are standards.

An evening out? This dictates a car wash, a shave, shampoo, shower, shoeshine etc to make a good impression.

What of the garden or allotment? Weeds, high grass, sloppy gardens, and overgrown pathways send out their negative messages about folks as well. What would you hope yours said about you as a quality person with a quality garden?

This is the season to invest time into making your plot look good as while it is growing fast, it is easier to work because of the soft nature of new growth being easier to trim, manage and control.

Come and Join Us!

On 24th of August, our HPAA will be holding its **OPEN DAY** for members and guests including you, residents of Hatfield Peverel. We will be at our **Old Site/Cart Lodge location** near the cemetery and along the white gravel path to the Cross Keys. Join us between **11:00AM and 2:00PM**.

There will be home baked snacks and cakes, coffee and tea for donations to the scouts. Games and children's activities and time for chats to catch up and meet new folks.

We hope to see you there!

August 2024

The world with its hundreds of mini climates and similar number of varied growing seasons, seems to have one thing in common: When things begin to grow, they REALLY grow!! In terms of nice days, we have had a mostly dismal Autumn, Winter, and Spring, to appreciate being out in our gardens. In contrast, while that time seemed slow, now everything appears to be on a steroid-fed schedule. While weeds lead that race, we must adjust ourselves to match Mother Nature for she waits for no one.

ST ANDREW'S and ALL SAINTS, ULTING

ADDITIONS, DESTRUCTION & DEDICATIONS

Part 3 of our *Did You Know* series continues with the creation of chantries and the destruction of parts of the priory.

The Chantry

Chantries were special areas in churches set up and funded often by wealthy people. These smaller chapels created additional altars specifically for masses and prayers to be said for the souls of the deceased.

During King Edward II's reign (1307-1327), the eastern part of the north aisle was separated from the rest of the church by a traceried oak screen. This screen is now located in the easternmost arch of the northern arcade.

In 1317, a chantry in the new chapel of St. Mary the Virgin was granted to Thomas Ulyng, the Lord of the manor of Ulyng, by the Abbott of St Albans, Hugh de Everisdine and the Prior of Hatfield Peverel, Peter de Maydenford. The Chantry was built by Thomas in the form of an aisle within the church so that one of the monks should celebrate divine service daily for him, his wife Maud, his ancestors and the tenants of the manor of Ulyng. For this, he provided new cloth for the monks, worth half a mark, and a further half a mark of spices, to be distributed by the sub-prior to all the monks, except the prior. For this chantry, Thomas also gave them a mark as yearly rent.

The Dissolution of the Monasteries

It seems that the life of the Priory continued quietly through the centuries, undisturbed by any major event until King Henry VIII (1509 - 1547) broke from Rome in 1536 and took control of the Church. The result of the Reformation and dissolution of the monasteries was that the presbytery, with its chapels, the transepts, and the central tower were all

pulled down. The nave (basically our present-day church) itself being "Parochial" - in other words belonging to the Parish - together with most of the domestic buildings escaped destruction and was left standing. One exception was the 15th century Holy Water Stoup set under a septfoiled (7 lobed) head, the basin of which was broken off flush with the wall, which can be seen just east of the main north door entrance.

Dedication

The original dedication of the Priory was to **St. Mary Magdalen**, however, at or around the time of the dissolution the dedication was changed to **St Andrew**. Dugdale (*Monasticon Anglicanum*, Vol. II. 1821, sub Hatfield Peverel) quotes one of the surveys of monasteries made by the Augmentation Office during the reign of Henry VIII about the time of the dissolution:

"Vicariæ Ecclesiæ parochialis Sancti Andræ de Hatfield Peverell ex fundatione Willielmi Peverell"

which translates as "The vicarage of the parish church of Saint Andrew of Hatfield Peverell from the foundation of William Peverell"

Latest events

July was a busy time in the parish. We enjoyed our coffee morning with record visitors who were in no way put off by the tremendous downpour and our Soup'n'Roll lunch when we raised £195 in support of VSO.

Other highlights included the wonderful "Songs for a Summers Evening" in St Andrew's Hall when the Hatfelda Singers led by Barbara Mason excelled themselves in providing a hugely enjoyable programme in the packed hall. And in the Vicarage Garden our Pet Service brought together a splendid collection of dogs and pictures of pets no longer with us, the owners of which regaled us with stories and memories in a most entertaining and moving way. Lots of tail wagging, no barking and all under the watchful eye of Father Stephen's cat Jasper who was in no way overawed by his canine visitors.

For August the coffee morning will be on Saturday the 3rd. No Soup'n'Roll this month. Please put the next event on Tuesday the 10th September in aid of Open Doors in your diaries.

You will find a warm welcome at our usual Sunday services - 9am at All Saints and 10.15 am at St Andrew's and we wish you a happy summer.

HATFIELD PEVEREL FOOTBALL CLUB

Our playing season 2023/24 ended in mid-May with all our manager's coaches and players taking a well-deserved rest for a few weeks.

We would like to congratulate our U12 Giants who won their league, our U14s who won their League Cup and were runners-up in the league and to our U18s who were also league runners-up.

Behind the scenes, our small band of volunteers have continued to work hard cleaning up the site and carrying out various maintenance and fix-it tasks on the clubhouse, site and pitches, in preparation for Thomson Day 2024.

Pitch Maintenance

As soon as the last ball was kicked, work began on the maintenance and improvement of all playing surfaces at the Keith Bigden Memorial Ground. We have spread over 150 tonnes of sand over all playing surfaces, and these have then been re-seeded. All goalmouths have also been repaired and re-seeded and our watering teams have been visiting daily to ensure the new seeds have the best opportunity to thrive. In early July we spread 'eco-friendly' fertiliser to all pitches, and finally towards the end of the year we will verti drain the whole area to provide aeration. Not surprisingly our pitches are the envy of visiting clubs and are frequently complimented.

Thomson Day – Saturday, 22nd June 2024

Thomson Day is our annual 'in-house' junior football tournament named after the founder of the youth section Jock Thomson, his wife Rita and Son Andy. The tournament started

in 1972, and this year we celebrated our 51st Thomson Day tournament.

Over 150 boys and girls took part in the event, and we would like to thank every player for their participation. Spectators enjoyed high quality football in the sunshine as well as the various fun activities available on the day. In the evening all Junior Teams attended the Presentation Event where representative and individual team trophies were handed out. We would like to thank all our volunteers and sponsors who helped to make the day a huge success, especially those who joined us on Sunday morning for the clear-up operation.

Summer Holiday Football Camps

We will be running two Summer Holiday Football Camps on 27th and 28th August 2024, one will be for boys of all abilities aged between 5 to 16, and there will be a separate 'girls only' football camp on the same days (please see separate posters for full details).

Ladies Day 2024

On Sunday, 1st September 2024, we will be hosting our fourth annual Ladies Day at Wickham Bishops Road, celebrating the women's game.

There will be specialist coaching for younger players, with a series of tournaments across the day for all the age groups represented, culminating in the Ladies adult team playing in a series of exhibition matches with other teams from across Essex.

Please see the separate poster for further details and follow us on our social media. We look forward to welcoming everyone on the day, to help us celebrate women in football.

New Playing Season 2024/25

Pre-season training has already commenced for our senior Men's and Ladies teams, and pre-season friendlies started in early July (please keep an eye on our social media for details of fixtures). We will have four senior teams, including our Ladies, competing this season playing on Saturday and Sunday afternoons. Our friendly bar staff will be there to welcome spectators in all weathers.

Our Junior players will return from their summer holidays in July/August with their season starting in mid-September. We will have over 300 boys and girls playing in 14+ teams on Sunday mornings. Refreshments including tea & coffee and bacon, or sausage rolls, soft drinks and sweets will be served on Sundays from 9am to 12pm

If you, or your child is interested in taking part in this amazing sport, then please contact us for more details. We run 'Meerkats' training sessions for either Reception or School Year 1 (ages 4 to 6) and 'girls only' Wildcat training sessions. We also organise Soccer Camps during school half terms and Summer Holidays (see separate posters), and we are also looking to expand 'Soccability' sessions to players with disabilities, impairments, or additional needs.

Please visit www.hatfieldpeverelfc.co.uk for more information and to book any of these sessions.

Sponsorship Opportunities

Finally, as a registered charity (RGN: 1140160) we are always looking to attract new sponsors to enable us to continue to improve our facilities.

HATFIELD PEVEREL VILLAGE HALL

VILLAGE HALL HAPPENINGS

We're thrilled to have received a Highly Commended award at the Rural Community Council of Essex (RCCE) annual awards in July, recognising the great work and improvements at the hall.

We faced a bleak future four years ago. The hall had seen a significant decline in its usage and financial stability. The facility, which had served as a cornerstone for local events and gatherings, was on the brink of closure,

threatening to leave a void in the village's social fabric. Hatfield Peverel Parish Council decided to step in and assumed the role of sole trustee. This strategic move marked the beginning of a comprehensive effort to revitalize the hall and restore its status as a hub for the village.

The council undertook significant renovations to update the facility, ensuring it was fit for a wide range of activities. Modern amenities were installed, and the interior was redesigned to create a welcoming environment. Central to the revival was the introduction of a cafe that operates seven days a week and has become a vibrant social space where we all get to meet, relax, and enjoy refreshments. The hall's schedule has expanded to include a diverse array of events and activities, catering to all age groups and interests. Hatfield Peverel Village Hall stands as a testament to the power of community engagement and effective management. What was once a failing facility is now a thriving centre of activity, reflecting the resilience and determination of the community and we're thrilled this has been officially recognised.

We have exciting plans for further enhancements, including improving the hall insulation, adding solar panels, upgrading the Vic Olley room, and updating the hall tables, among many other projects. These plans are subject to securing the necessary funding and grants.

We're also delighted to be chosen by the East of England Co-Op Community Cares Fund to benefit from their fundraising efforts at the Co-op through the end of August. If you have a Co-op Membership card, do consider selecting us as your chosen charity (charity no. 270120). Additionally, we're eagerly awaiting news about a grant application to upgrade our single-glazed windows to triple-glazed ones, which will further improve the hall.

Exciting Upcoming Shows and Music at the Hall

We have an exciting lineup of theatre shows coming to the hall in the next few months. The Pantaloons will be returning for a matinee performance of Shakespeare's "The Merry Wives of Windsor" on Sunday, September 29th. Also returning is the Common Ground Theatre Company with "The Ghost of the Toll Point Light" on Sunday, 3rd November.

Our upcoming music events include the Jack-Austen Despy Blues Band on Saturday, 14th September, and Dan Hadfield performing as Gary Barlow on Saturday, 26th October.

Get your tickets as soon as they go on sale as these shows are likely to sell out quickly!
